Sierra Madre Stores Will Be Closed All Day, Thursday, July 4th

SIERRA MADRE
Population, 5,000; elevation, 800 to 1400 feet; assessed valuation, \$4,000,000. Part of the Pasadena school system. Climate is unexcelled.

VOL. 23; NO. 39

SIERRA MADRE, LOS ANGELES COUNTY, CALIFORNIA

FRIDAY, JUNE 28, 1929

PLANS ARE NOW COMPLETE FOR FOURTH OF JULY CELEBRATION

City's Expenses Exceed Budget Allowance for Eleven Months by \$3368

Funds Available on July 1st
Only Half Enough to Pay Bills

Highway and Health Departments Show Cash Reserve

A comprehensive report submitted by City Clerk Dietz at the request of the Council shows that the city of Sierra Madre has spent \$3,367.39 more during the past eleven months than the budget allowance for that period, and that nearly twice as much money as will be available July 1 will be required to meet the average expense of the city until December 15, when the next tax money comes in.

While there was a saving of \$652.97 in the health department and of \$438.85 in the highways department, still the over-expenditure in the general fund of \$3460.86 and in the police department of \$785.67 and fire department of \$212.68 brought the amount overspent to the figure quoted above.

Following is the report of Mr. Dietz in full except for itemized expenditures:

Cash on hand	\$16,428.68
Est. exp. for June	4,400.00
Bills of R. C. Wygant:	
Montecito Ave. op'ng.	500.00
Canyon pool	500.00
Ex. to contractor for comfort station	702.00
Other exp., est.	400.00
Ex. for fence, est.	250.00
Total expense to be met	\$6752.00
Available after July 1	\$9676.68

With the expenses averaging about \$4400 a month for the next five months from July 1 to Nov. 30, inclusive, or a total of \$22,000, less anticipated miscellaneous receipts of about \$4000 during that period, will require \$18,000 or twice as much as will be available before tax money will be paid in by December 15.

I am also handing you herewith a statement of the actual expenditures paid out of the general fund for the 11 months to May 31, 1929, of the present fiscal year ending June 30, 1929, showing amount paid out \$48,467.39, or an over-expenditure of the budget allowance for the same period of \$3,367.39.

Respectfully submitted,
L. Dietz, City Clerk.

The Chamber of Commerce will meet in regular session at the city hall Monday night, with several interesting matters coming up for discussion.

It is especially requested by President C. B. Klunk that members of the chamber attend the meeting. The fifteen directors have established a fine attendance record, and it is hoped the general membership will show an increased interest in the affairs of the organization.

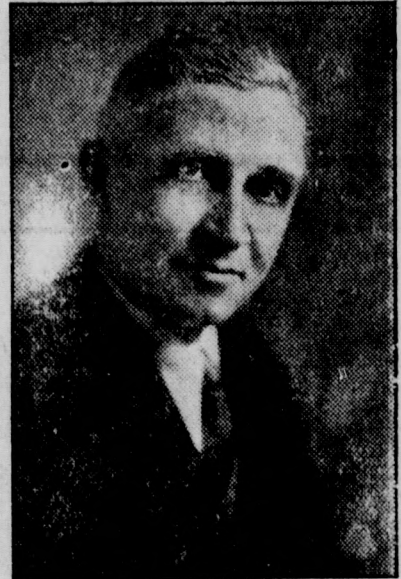

Church School Enrollment Gains As Work Begins

Enrollment continues to increase rapidly in the daily Vacation Bible School which opened this week at the Congregational Church and will continue for five weeks under the superintendency of Miss Margaret Louise Darrow of South Pasadena, an experienced kindergarten teacher. She is assisted by Miss Ruth Rioridan of South Pasadena, Miss Elizabeth Clark of Pomona, Mrs. W. S. McKittrick and Blake Manning, Gertrude Bandy, Alice Lalone and Cynthia Hull are at the piano.

The object of the school is to interest children in the church and to discourage play on the streets during the long and often time tedious vacation days. The devotional training consists of memory verses, Bible stories, prayer and songs. The handwork comprises woodwork for the boys, sewing for the girls, soap carving and games for all. Children from the ages of 6 to 12, inclusive, may enter at any time. Classes are held from 9 a. m. to noon, five days a week.

This school is supported by a daily collection and contributions. Arrangements are under the direction of the education committee of the church consisting of the following members: Mrs. K. J. Lord, chairman; Mrs. F. Staff, Mrs. W. S. Hull, E. D. Burchank and Lester Bodine.

At the close of school there will be an exhibit of handwork, graduation exercises, and presentation of diplomas. Honor privileges such as carrying the flag, taking up collection, etc., are extended to particularly meritorious pupils.

PAUL CLAGSTONE
Who will address a joint meeting of the Chamber of Commerce and Kiwanis Club Tuesday.

Clagstone to Tell Of Business Conditions in the West

A large attendance is predicted for the joint Chamber of Commerce-Kiwanis Club meeting for next Tuesday noon, when Paul Clagstone, manager of the western division of the Chamber of Commerce of the United States, is scheduled to deliver the address of the day.

Mr. Clagstone is recognized as an authority on business conditions in the United States and will have a message of absorbing interest to local businessmen.

First Aid Kit Now Ready For Action

Awaits Completion of New Truck to Be Available for Service

The First-Aid cabinet just completed by the members of the Volunteer Fire Department is on display in the News office this week and attracting a great deal of attention from passers by. The cabinet work was done under the supervision of Lee Hibbs, and shows a high degree of skilled workmanship.

The case has many drawers and shelves and is equipped with blanket, coats, towels, tourniquets, etc.; iodine, triangle compresses and bandages, flashlight, adhesive tape, instruments, lysol, ammonia, boric acid, carbor oil, distilled water, and a hot water bag.

The equipment was furnished by the American Red Cross, Sierra Madre chapter, and is complete in every detail.

The first aid outfit is just one of the important details to the new fire department truck which is expected to be in operation in the next few weeks.

American Legion to 'Air-Mark' City; Lumber Co. Building to Carry Big Sign

With characteristic energy and enthusiasm the local post of the American Legion has undertaken the task of "air-marking" Sierra Madre, and will start next week in placing the words "Sierra Madre, two miles to Ross Field," with a huge arrow pointing the way to the nearest landing field. The words will be painted in gigantic letters on the roof of the Sierra Madre Lumber Company sheds. W. H. Reglin, state chairman of the aeronautical committee of the American Legion, was in the city Tuesday at the request of District Commander R. W. Stewart and Commander H. Clay Reavis, and approved the location.

Another movement sponsored by the local Legion, in conjunction with a statewide movement by the state organization, is a safety first campaign. The local corps will place two metal signs at the Sierra Madre and Baldwin Avenue entrances to the city, the

Fail to Complete Pool In Time for Free Swim Today

Owing to the fact that the fence is not yet up, which makes it impossible to get insurance coverage for the lessee, James Heasley, manager, states that the opening date will be delayed a day or two. Free swims will be granted to all on the first day the pool is opened, however, and all nymphs and water sprites are advised to keep a close watch for notices or reports of the grand opening.

The Canyon Improvement Association calls attention to the fact that there is a modern bath house, a separate wading pool for children, and that the pool is to be filled with cool, clear sparkling water.

There are cottages and apartments for rent in the Canyon Park and picnic tables and parking space may be procured at small expense. The nearby mountain trails offer opportunity for hiking and burros are available nearby for children or the aged or infirm.

Kiwanians And Their Laides Dine

Observe Convention Opening at Home of Charles Klunk

All-Kiwanis Night was observed Monday evening at the home of Mr. and Mrs. Charles Klunk, 142 Santa Anita Court, when members and Kiwanian ladies met at 6:00 o'clock for dinner, simultaneously with the opening of the international convention of Kiwanis in Milwaukee, at which place the local club was represented by E. D. Burchank.

The short business meeting was opened by President Ray A. Grant, at which time he read a greeting of Kiwanis service, community building, and good fellowship, sent by the national president, O. Sam Cummings. It was thought the convention opening and first night program would be broadcast, but owing to the great expense and details involved the president's greeting was sent to each club to be read at similar meetings of the order internationally.

A delicious dinner was served to the 24 guests present, at six small tables arranged in the living and dining rooms. The committee in charge, R. C. Copenhaver, J. E. Carpenter, C. B. Klunk and Mr. Defoe, were assisted in serving by Ruth Grant, Ruth Klunk, Ella Mae Copenhaver, Mrs. Klunk, Mrs. Copenhaver and Mrs. Grant.

Following the dinner an hour of good Kiwanian fellowship followed, and later bridge was played at the six tables. Prizes were awarded to Marie Jenkins, first for ladies, and Mrs. Ray Grant, low. Waverly Pratt received high score for the gentlemen and a bottle of catsup, which caused much merriment, was given to Harvey Steinberger, low.

Those present were Mr. and Mrs. Defoe, Mr. and Mrs. W. E. Pratt, Mr. and Mrs. Harvey H. Steinberger, Mr. and Mrs. Ray A. Grant, Mr. and Mrs. J. L. Asbury, Mr. and Mrs. R. C. Copenhaver, H. C. Reavis, Father Hyacinth, Frank Spencer, J. E. Carpenter, Frank Hildebrandt, Miss Marie Jenkins, Miss Mattie Seely and the Misses Ruth Klunk, Ruth Grant and Ella Mae Copenhaver and the host and hostess, Mr. and Mrs. Klunk.

Mrs. Mary C. Walker of Los Angeles will spend July 4 visiting at the home of her granddaughter, Mrs. Joseph L. Asbury.

Fox Picture Filmed Near Sierra Madre

Set For Aviation Scenes Is Nearly Completed on Baldwin Estate

This Locality Offers Ideal Flying Conditions, says Director

With characteristic "movie" zeal, work was started last Monday by the Fox Film Corporation on a mammoth motion picture set on the 272-acre tract of land lying east of Baldwin Avenue and South of Live Oak to Foothill Boulevard. This is part of the Baldwin estate which has been leased for the purpose of making a war picture in which airplanes are to be featured.

A huge hangar is rapidly nearing completion under the direction of Charles Rabold, construction foreman, who has a crew of 48 men working on the set which will probably be finished the middle of next week. A small tent city has been established to house the mess hall and the sleeping quarters of the crew which consists of a force of men in the regular employ of the Fox Film Corporation. No local help is being taken on, Mr. Rabold said. The commissary crew consists of six men. Many of the supplies are being purchased in Sierra Madre.

The picture to be filmed will be called "The Sky Hawk," and is, of course, to be a sound picture, as Fox is no longer making silent films. The director will be Jack Blystone, who will be assisted by his brother, Jasper Blystone. The latter was at the location Wednesday looking things over. He stated that he expects to have the actors here at work within two weeks. Some airplanes probably will be brought here by the first of next week for tuning up and preliminary maneuvers. The chief aviator is (Continued on Page Ten)

Local School Shows Great Thrift Gain

Fifty-six New Savers Bring Total Savings Up to \$2759.20

Bank day for school savers was observed here June 19 when 80 girls and boys from the Sierra Madre elementary school made their annual pilgrimage to the local bank. Carrying their school books the children went en masse from the school to the bank, depositing their savings, which totaled \$109.13. This one day's deposit brought the school savings record up to \$2759.20, or an average of \$15.08 per account. There are now in Sierra Madre 183 school savers, 56 of whom are new savers this year. A gain of \$1253.84 was made this school year, and those in charge feel that the fourth year of thrift study has indeed been very successful.

Thrift has been inculcated into the school curriculum through the generosity of H. E. Allen, president of the Sierra Madre Savings Bank. Mr. Allen has furnished all supplies for the thrift program, and has secured the thrift instructor, Joy Butler, who supervises and instructs the children in the wise use of time, money, health and energy.

Thrift in the school has meant far more than the mere saving of money. Students of thrift, under the guidance of Miss Steinberger, principal of the Sierra Madre school, have engaged in various projects and activities. A Thrift Garden Club, composed of boys and girls under direction of Miss Steinberger, has this school year protected the trees and shrubbery of the city. This same group has taken over a plot of barren, sandy ground in front of the school, and they have converted it into a garden of flowers which will be in blossom when school convenes next fall.

The members of this thrift club have worn badges as emblems of their positions on the thrift committee. The star, which is the insignia of thrift in Los Angeles county, has five points which say, "Save, Time, Health, Materials, Money."

Various thrift projects have been carried on in the classroom thru the cooperation of the principal, the teachers and the pupils. A "baseball" contest played by school savers, the "bases" being made by trips to the bank, (Continued on Page Ten)

Bethany Church Bible School Is Open to Public

The Bethany Church Summer Bible School, under the guidance of Miss Natalie Romans, assisted by a splendid corps of instructors, opened Monday, June 24. A large number of children from five to fifteen years of age are enrolled in the school.

The graded summer Bible school is designed to give the boys and girls three hours a day in Bible training. The curriculum includes Bible history and geography, Bible characters and doctrines, with music, games and story telling as diversion.

The school begins every morning at 9 o'clock and dismisses at 11:30. There is no tuition charge though a free will offering is taken each day. All boys and girls of Sierra Madre between 5 and 15 may attend.

L. K. Layton Appointed To Council

Completed Canyon Plunge Is Accepted from the Contractor

With the appointment of Lester K. Layton to the Board of Trustees of Sierra Madre at an adjourned regular meeting Wednesday evening, the membership of that body again is able to cast the necessary four-fifths vote which many important matters require in order to become legal enactment. Mr. Layton will fill the unexpired term of George F. Blakeslee, resigned. The vacancy left by the resignation of Donald Ashmore last week still remains unfilled.

Mr. Layton has been a resident of Sierra Madre for the past nine years and owns property at present in Canyon Park. He is a real estate broker in Glendale. He served with the Marines in the World War and is a member of the American Legion.

Based upon the report of City Engineer O. A. Gierlich, a resolution was adopted accepting the swimming pool as completed by Harvey Steinberger some five days before the date set for its completion. The date of the lease of the pool by James C. Heasley was advanced from July 1 to Friday, June 28, when Mr. Heasley signified his willingness to accept the responsibility from that date on.

A revised bill for attorney's fees presented by Robert C. Wygant, former city attorney, who resigned last month, was ordered paid. The bill includes fees on swimming pool, \$225; Grove St. reservoir, \$250; Montecito condemnation, \$225; Grand View Avenue, \$25; making a total of \$775. Mr. Wygant stated that the Central Avenue situation could be left for consideration at some future time to be worked out in detail by the city council, City Attorney Phillip Dodson, and himself.

A communication from the Progressive Civic League, which requested the enactment of an ordinance placing a prohibitive tax on the erection of billboards in the city was referred to the city attorney for investigation and report.

Mrs. R. M. Barker, city nurse, was granted a vacation on pay. Frank E. Gibson of Marlborough Terrace requested that the board of trustees proceed with the condemnation of Churchill Road as started two years ago. The matter was referred to the committee as a whole for a report of the present status of the road.

Jacaranda Trees a Mass of Gorgeous Bloom On Many Sierra Madre Streets

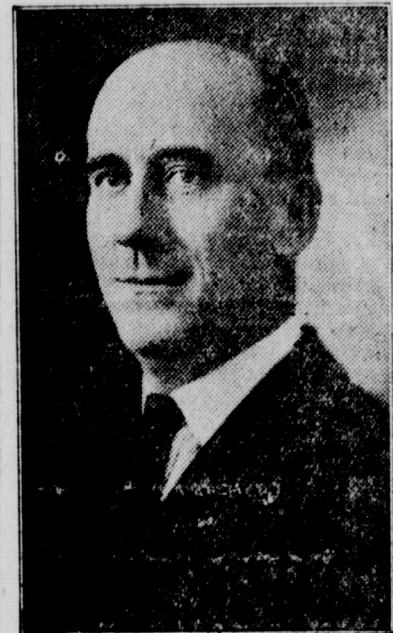

The Jacaranda, that gorgeous tree which flaunts its large sprays of light purple bloom under the late June and early July sunshine, is now a "thing of beauty" in Sierra Madre.

The beauty of the Jacaranda display vies very closely for first place with the famed wistaria vine in Sierra Madre, the largest in the world.

Sierra Madre seems to be charmed ground for the cultivation of the Jacaranda, situated as it is in the so-called "frostless belt." Horticulturists claim that even as close as Lamanda Park the tree is difficult of cultivation.

It has been suggested that the planning commission for the city of Sierra Madre would do well to feature the Jacaranda in parking strips. The tree is inexpensive, the smaller trees costing from 50c up. They bloom from one to two years after planting and in ten to twelve years become the beautiful specimens one can view in

Patriotic Program to Be In Charge of Sierra Madre Post of American Legion

PHILLIP F. DODSON
Who will deliver a patriotic address at the Sierra Madre Park program July 4th, under auspices of the American Legion.

Isaac's Estate Gets Full Page In L. A. Paper

Paying a remarkable tribute to the planning and execution of the landscaping of the beautiful grounds of the estate of Mr. and Mrs. Henry Isaacs at 333 Sturtevant Road, the Los Angeles Times, in their Farm and Orchard supplement last Sunday, devoted an entire page to pictures and explanatory comment of this Sierra Madre show-place.

The illustrating article was by Christine Emery and Mr. Isaacs states that it was a complete surprise to him when it appeared in the Times. This is excellent publicity for this city and well earned commendation for a progressive citizen.

Puncture Vine Discovered In This City

Constitutes Real Menace to Local Automobile Owners

In another column of the News appears a communication from Miss Annetta M. Carter concerning the puncture weed, which she states has gained a foothold in Sierra Madre and should be fought before it becomes a real menace.

Miss Carter suggests that a fund be raised and a bounty paid for each vine brought in by the boys and girls of the city. It is pointed out that the vine is a serious problem in communities where it has been allowed to flourish and the communication suggests that "NOW" is the time to act.

Miss Carter will graduate from the University of California at Berkeley, class of '30, and has received honors for her research work in botany.

However, it is stated by J. E. Carpenter, water and street superintendent, that the presence of the vine had previously been detected and that his department is doing all it can to eradicate it. Needless to say, everyone should be on the lookout for growths of weed and cooperate with the authorities in keeping it down.

Pasadena Troubadours Are Secured as Entertainment Feature

Firemen Will Made First-Aid Demonstration and Other Stunts

Fourth of July traffic jams hold no terrors for residents of this city, for again this year Sierra Madre will enjoy its own 4th of July celebration.

The program, under the sponsorship of the Chamber of Commerce entertainment committee, will begin officially at about 6 o'clock. Last year a large number of people took picnic dinners to the park and the beautiful surroundings. This year it will not be necessary to go to the trouble of preparing lunch, for the American Legion Auxiliary will serve sandwiches, coffee and cake, and ice cream, for a nominal sum, to those who care to gather at the park for refreshments before the evening's program.

At 7:00 o'clock the American Legion will take charge. Under the efficient leadership of Commander Clay Reavis, a program of unusual merit is being arranged. As an entertainment feature the Pasadena Troubadours, one of the best known musical organizations of that city, will present a thirty minute concert of vocal, instrumental and dance numbers.

As the shades of evening begin to gather, the Volunteer Firemen will enter the picture. This year they will present a demonstration of first-aid work, at which the local department is unusually efficient. The modern methods of rendering first-aid to accident victims and others in need of assistance will be shown, and the new inhalator recently purchased by the department will be seen in operation. The new first aid cabinet, just completed by members of the department will also be pressed into service.

The Firemen will not stop their efforts at helping to make the celebration a success with the first-aid demonstration. Those who were present at the celebration last year will remember how the damsel in distress was rescued from the blazing (?) tower of the old Congregational Church. Chief Richards and others of the department assure the committee that their efforts this year will be just as productive of thrills. As a matter of sound judgment it would be poor policy to miss this feature of the day's events.

It was demonstrated last year that the city tennis courts formed an ideal dance floor when properly treated with soap stone. The supply of soap stone was somewhat limited last year, and as the night wore on, a number of shoes are said to have worn out, due to the lack of "slickum." This year Frank Spencer has put in an extra large supply of the desired floor dressing and he personally guarantees that the floor will be in first-class condition thruout the evening.

"Dutch" Larson and his orchestra of five pieces have been engaged to furnish the music. Dancing will begin immediately following the Firemen's display, and will continue until 12 o'clock.

With the splendid cooperation shown by the American Legion, the Volunteer Firemen and the Legion Auxiliary, the entertainment committee feels no hesitancy in recommending that Sierra Madre people remain at home to celebrate the Glorious Fourth.

American Legion To Give Program At San Fernando

American Legion posts of Sierra Madre, Pasadena, Arcadia and Lamanda Park are cooperating in a program and gift-drive in behalf of the disabled veterans of the World War who are now patients at San Fernando Hospital. The program is to be given in the hospital auditorium on July 7.

Patients at the hospital have paid, in all cases, the terrible penalties of war—innocent victims of the blood-lust of nations. Many are shattered by tuberculosis, others are maimed and broken. The four posts mentioned are making a drive for candy, cigarettes, foodstuffs and gifts of all kinds for these shut-ins. The people of this city may enter the spirit of the occasion by filling a car or two with the various things that the patients can use and enjoy.

Miss Maybelle Schollerman of Manhattan Beach is visiting at the home of her uncle and aunt, Mr. and Mrs. Walter Heber.

Society and Personal

MISS MARY WARK IS BRIDE AT PRETTY WEDDING

A quiet, and very pretty ceremony took place on Monday morning at the home of Mr. and Mrs. Wark, on North Adams St., when their youngest daughter, Mary, became the bride of Walter Hiller of Pasadena.

The little group gathered under the trees in the front garden, and there the service was performed by the Rev. Father Hill of the Church of the Ascension. Besides the immediate relatives of the bride, these present were Mr. and Mrs. Hiller of Pasadena, father and mother of the groom, and their young daughter, Lilla. Also Miss Evelyn King, close friends of the bride, and Mr. Vernon Starr from Pasadena.

After the ceremony, the party partook of light refreshments at the house, and then drove to Laguna Beach, where a luncheon was served, and there the young couple remained, to spend their honeymoon.

Mr. and Mrs. Hiller Jr. expect to return to Pasadena about the end of this week, and take up their residence in Pasadena.

Lucky Ball had a birthday Tuesday but, he states, a special celebration to commemorate the passing of the milestone was not forthcoming.

Mrs. Jennie E. Montgomery, who has lived at the Sierra Madre Hotel for two and a half years past, will leave the first of July to visit relatives in Jackson, Tennessee.

Lachlan Arthur, of the Mt. Wilson Tavern on Mt. Trail Avenue, who celebrated his 84th birthday anniversary last week, had a slight stroke shortly afterward. His daughters report that he is improving.

Mrs. Fred Lucas of Moosejaw, Sask., Canada, Mr. L. Arthur's youngest daughter, is visiting her father and sister at the Mt. Wilson Tavern. She arrived in March and will remain until the last of July.

W. E. Goff, 329 West Highland, enjoyed a trip from Los Angeles to Salt Lake City via air express, leaving here June 18 and returning June 20 in time to witness the graduation of his son Maurice, a student in the Pasadena schools.

Robert James Wark made a hurried trip from the interior of British Columbia, to his home on North Adams Street, to be present at the wedding of his daughter Mary, which took place last Monday morning. He returned Wednesday, taking his youngest son, Billy, with him. Billy will spend a couple of weeks with his grandparents in Canada.

George A. Jones of 241 East Central, owner of the Sierra Madre Dairy, has had a relapse of his illness of one and a half years ago and is confined to his bed. His son Raymond, and bride, of Seattle, and daughter, Mrs. Edith Warden and son Roy Earl, who have been visiting her brother in Seattle, were called home, arriving Thursday, June 27. Raymond Jones will remain here or in Pasadena to make his home. Mr. Jones who has been in serious condition, is reported to be somewhat improved.

Hapgood and Carlson are leaving Saturday for Atascadero where they have the contract for painting and decorating the new Atascadero Inn Annex which is being built by the Atascadero Development Syndicate. They also have the contract for painting and decorating the new Atascadero Mortuary, which is being built and financed by the Syndicate. Messrs. Hapgood and Carlson will be gone about six weeks. They are taking help and equipment from the South. The contract is just another indication of the fact that this firm is recognized as being one of the best of its kind in Southern California.

ENJOYABLE PARTY FOR MRS. MORAN

Azela Scoville of Pasadena, sister of James Scoville of Sierra Madre, gave a surprise birthday party to Mrs. George Moran Tuesday night. Interesting games were played by the guests and refreshments served later in the evening. The attractive table was G. A. Scoville's table.

Guests from Sierra Madre included Mr. and Mrs. Percy Adams, Wallace Merrill, Mr. and Mrs. Gordon Brooks, Mr. and Mrs. Joe Evans, Mr. and Mrs. George Moran and Robert, Pasadena guests and the hostess, Miss Scoville.

Miss Ella Shepard Bush, noted miniature painter, has recently completed a portrait of Dr. Frederick Ward in the character of Father Junipero Serra. A special setting of a mission arch was designed by Douglas Donaldson, metal craftsman and designer, and the veteran actor wore a Franciscan habit from the Santa Barbara Mission. The miniature is being exhibited with others of Miss Bush's works this month in the art gallery of the Friday Morning Club.

Roger Miller, who has been visiting his sister, Mrs. Wm. Burns at 385 West Central Avenue, for the past three weeks, left for the part of the week for his home in Mason City, Iowa. His sister, Miss Evelyn Miller, accompanied him as far as Denver. Mrs. Miller and son Richard who are also visiting at the Burns home, will remain here during the summer.

Miss Sarah Schwartz and brothers, Preston, Charlton and Samuel, left Saturday night for Deeth, Nevada, where they will spend a couple of weeks visiting their sister, Mrs. William Wright.

Mrs. H. Randolph Wood of 255 North Hermosa gave a most delightful tea Wednesday afternoon from 3 to 5 in honor of her mother, Mrs. Stevenson, who is visiting her from Florence, Italy. Mrs. J. N. Hawks presided at the tea table, assisted by her daughter, Miss Hawks and Miss Catherine Sinnott. About 40 guests were entertained during the afternoon.

Miss Sarah Kurran returned from a three weeks visit with her son and family in Santa Monica.

Dr. Marie A. Everett and J. J. McLaughlin of 153 Santa Anita Court motored to Santa Barbara on Tuesday. They report the atmosphere cool and invigorating there.

Dr. and Mrs. Earl D. Fulkerson of Denver, Colo., are visiting Mrs. Fulkerson's grandparents, Mr. and Mrs. T. J. Burns of 65 East Laurel, while making an extended tour of Southern California.

J. S. Cotton, general manager of the West Coast Holding Co. of Santa Barbara and Mrs. Cotton were week-end guests of Dr. Marie A. Everett and James J. McLaughlin of 153 Santa Anita Court.

Miss Rose Brandt, head of the Indian schools of the United States, has arrived from her tour of familiarizing herself with conditions in the various Indian schools and is the guest of her sister, Miss Brandt of Mt. Trail, for a short time.

JOSEPH KAPLAN PASSES AWAY AT HOME HERE Joseph Kaplan, 33 years of age, passed away Sunday afternoon at his home, 432 Mariposa Avenue, after an illness of more than two years. He is survived by his wife and two-year-old daughter, Beryl.

Mr. Kaplan formerly owned a ladies ready to wear shop here, but was forced to retire from active business because of his illness. The remains will be sent to New York state for interment.

RED CROSS NOTES

At its regular monthly meeting Monday, the interest of the Red Cross chapter centered around the Firemen's First Aid cabinet, a remarkably clever piece of work. The cabinet is to be placed on the new emergency fire truck and is being equipped with the necessary first-aid requirements by the Red Cross chapter, which on Monday authorized Mrs. Barker, the city nurse, to make further purchases, a flash-light, a gallon of car oil, and three white gowns, which complete the equipment. Realizing that the cabinet represents not only many hours of patient, skillful labor, but a general attitude of remarkable public spirit, the chapter went on record as expressing appreciation and thanks to the Firemen for their work.

Another feature of interest was an exhibit of Junior Red Cross work which was explained in a report made by Miss Elizabeth Steinberger, Junior Red Cross chairman. The school children have made 24 checkers with the necessary checkers and the boxes containing them, 36 artistic portfolios containing stationery, and several remarkable books, one consisting of studies of Indian life, another of birds and flowers, and a third a collection of pressed and dried wild flowers. After being placed on exhibit where the public may see them, the various articles will be sent to headquarters in San Francisco, when they will be distributed, the books being sent to schools in foreign lands, which will reciprocate by sending return exhibits.

In the absence of both president and vice-president, the secretary appointed Mrs. Clarence Bowen as president pro tem. Mrs. Barker reported that four firemen held Red Cross Senior certificates. First-aid Course: Lee Hibbs, Vernon Udell, George Babbitt and Joe Swanson. The last three being also the Firemen's pulmotor experts.

The exact date for the big Swim Week has not yet been set, but when it is, a wonderful opportunity for every man, woman and child in Sierra Madre to learn to swim, free of charge, will be presented, as the Red Cross will furnish an expert instructor for the entire week.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.
No. 278414
In the Superior Court of the State of California in and for the County of Los Angeles.

W. H. McCUNE, Plaintiff.
MAX R. WARD, et al., Defendants.
Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 10th day of June, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against Defendants, on the 6th day of June, 1929, for the sum of Fifty-five Hundred Five and 50-100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 8th day of June, 1929, entered and recorded in Judgment Book 719 at page 33 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Arcadia, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot thirty-six (36), Block seventy-nine (79) as per map in Book 15, pages 89-90 of Miscellaneous Records of said County. **PUBLIC NOTICE IS HEREBY GIVEN** that on Saturday, the 6th day of July, 1929, at 10 o'clock A. M. of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated June 10, 1929.
R. E. ALLEN,
Commissioner appointed by said Superior Court.
LINCOLN G. BACKUS,
134 So. Myrtle Ave.,
Pasadena, Calif.
Attorney for Plaintiff. 37:40

A SAFE ADMISSION
"He sings in a manner that is heavenly!" said the gushful admirer.

"I shouldn't say it is exactly heavenly," said Miss Cayenne. "But I will at least admit that it is unearthly."—Washington Star.

Mrs. Jessica Wright, postmistress, is expected home today after an enjoyable visit with her son, Wm. B. Wright and his Easter bride, at Deeth, Nev.

Elmer Guppton, manager of the Central Avenue Safeway store is confined to his home with intestinal flu.

Interesting Program at Wilson High

Various Clubs Cooperate in Offering Entertainment to Students

A very interesting program was presented by the clubs of Woodrow Wilson high school, Friday, June 14. The clubs participating were Telegraphy Club, under the supervision of A. C. Woolnough, demonstrating the evolution of telegraphy; the Boys' Chorus sang "Boosting Our Wilson High," under the direction of Mrs. G. Howard; a skit, "William Tell," was given by the Archery Club, supervised by A. L. Estus; the Typing Club, under the supervision of Miss Juanita K. Tarr, gave a skit, including a speed test.

A gift from the Wilson Parent-Teacher Association was presented to the school by Mrs. Nellie M. Moore. The most unique feature of the program was an orchestra composed of members of the Boys' Cooking Club, who played various kitchen utensils. This club is directed by Miss Mary Oliver.

The Piano Club, under the direction of Miss Mildred Robinson, presented several numbers as part of a play. The Harmonica Club, of which Wm. Cummings is in charge, played a group of songs.

The Girls' Athletic Association awards were given by Miss Phyllis Crane, girls' athletic instructor. The girls who received these awards were: Kathryn Ruscher, Rose Brown, Genevieve Henderson, Leonora Pridham and Adele Scmidt. These girls received the highest emblem awarded to junior high school girls. Girls who received other emblems were: Mary Soinit, Juanita Beyer, Rosalyn Felby, Faye Friday, Mary Henderson, Bernita Sandstoe, Betty Van Houten, Virginia Fennel, Doris Booker, Shizuko Fujimoto, Jane Lacey, Elizabeth Burman, Nellie Meliester, Amy Bullock, Margaret Ewen, Gwendolyn Gaze and Marguerite Haskens.

People simply have got to be made to think. They must be told, and re-told again and again, until one and all know that California will lose a hundred million in fruit the very year the fly gets going good out here, and keep on losing that \$100,000,000 annually and indefinitely, not to mention the millions and millions that will be spent in a hard fight to drive away the fly. So far, no country has driven it away once it got established. So, this is serious.

Do we want that here? Isn't it wise to wake up in time and clear away all useless "host" trees?

Many Elks Are Enroute to Big Convention Here

Southern California is the mecca for more than 5000 automobile tourists now enroute from states east of the Rockies to the 65th national Elks Convention in Los Angeles July 7 to 13. While no check has been made of the traffic from western states, it is believed that all previous convention-bound highway movements will be exceeded. The convention is expected to bring upward of 125,000 visitors to California next month.

New Studies for Children in the Local School

Reading, writing and arithmetic are assuming new and delightfully interesting aspects at the local school. Under the direction of Mrs. Ballard who, with the assistance of the class-room teachers, is presenting playlets in the morning and at other hours on the patio at the school. Some of the plays are entirely original, some are reconstructed from the reading or history lessons. Last week personified "parts of speech" asserted themselves and gave a school a fine example of their proper places and uses. Other recent plays are "Abraham Lincoln," "Jack and the Beanstalk," "Mrs. Kendall's Pupil," "History of Sierra Madre" (Miss Wones), and another history play by Mrs. Eva Moore.

Incorporating lessons into play requires extra patience and time on the part of the instructors, but leaves a permanent impression of facts on the minds of the children, stimulates an intense interest in school work, effects a more intimate relation between teacher and pupil, inspires originality and the desire to create, overcomes self-consciousness and teaches cooperation.

A reformer states that if Germany drank nothing but water she could pay what she owes. And if the Allies drank nothing but water they wouldn't need to press the debt.—Atlanta Constitution.

NOTICE INVITING SEALED PROPOSALS FOR STREET WORK

Pursuant to the "Improvement Act of 1911" and all Acts supplementary thereto or amendatory thereof, and to Resolution No. 437 of the Board of Trustees, also known as the City Council, of the City of Sierra Madre, California, adopted on the 18th day of June, 1929, directing this notice, the undersigned, City Clerk of the said City of Sierra Madre, hereby invites and will receive up to seven-thirty o'clock P. M. of Wednesday, July 10th, 1929, at his office in the City Hall of said City of Sierra Madre, sealed proposals or bids for the following described street work to be done according to General Specifications No. B-10 and Special Specifications therefor posted and on file, to-wit:

(a) That that certain portion of MONTECITO AVENUE between a line drawn across said Montecito Avenue distant six (6) feet West from and parallel with the West line of Baldwin Avenue, and the West line of Lot Ten (10), Ritchey Tract, as per map recorded in Book 11, Page 130, of Maps, Records of Los Angeles County, State of California, prolonged South across said Montecito Avenue, including the intersections of said Montecito Avenue with Windsor Lane and Montecito Court, and also those certain portions of said Lane and Court immediately adjacent to said Montecito Avenue, be improved by certain grading and regrading and by the construction of certain three (3) inch oil macadam pavement, cement curbs and concrete gutters, in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to.

(b) That that certain portion of MONTECITO COURT between the Southern line of Montecito Avenue and the southerly production of the Easterly line of Lot Six (6) Victoria Place, as per map thereof recorded in Book 9, Page 173, of Maps, Records of Los Angeles County, State of California, including all intersections and terminations with intersecting and terminating streets, avenues and alleys, be improved by certain grading and by the

construction of certain three (3) inch oil macadam pavement, certain six (6) inch cement concrete pavement, cement curbs, concrete gutters, and reinforced concrete storm drain in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to.

(c) That that certain unnamed PUBLIC ALLEY lying between Central Avenue and Montecito Avenue and extending from Montecito Court to Auburn Avenue, including its intersection with WINDSOR LANE, and its termination with AUBURN AVENUE, and also including those certain portions of said Lane and Avenue (and that certain alley westerly from and parallel with Windsor Lane) immediately adjacent to said Alley, be improved by certain grading and by the construction of certain six (6) inch cement concrete pavement, certain three (3) inch oil macadam pavement, cement curbs, reinforced concrete curb, concrete gutters and cement sidewalks, in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to.

(d) That the Easterly portion of AUBURN AVENUE at its intersection with Montecito Avenue, be improved by the construction of a reinforced concrete culvert, including intake and outlet, and all appurtenances thereto, and also by certain grading and regrading and by the construction of certain three (3) inch oil macadam pavement, cement curbs, concrete gutters and cement sidewalks, in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to.

(e) That that certain portion of the West line of BALDWIN AVENUE at its intersection with MONTECITO AVENUE, including those certain portions of said avenues immediately adjacent to said intersection, be improved by the construction of reinforced concrete culvert, including intakes, outlets, laterals, and all appurtenances thereto, and also by certain grading and by the construction of certain three (3) inch oil macadam pavement, cement curbs, concrete gutters and cement sidewalks, in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to.

(f) That a REINFORCED CONCRETE PIPE STORM DRAIN, including reinforced concrete intakes, outlet, manholes, and all necessary appurtenances thereto, be constructed in and across MONTECITO COURT and also in that certain RIGHT OF WAY acquired for public use for storm drain purposes, by Deed to

said City of Sierra Madre, in, over and across Lots Six (6) and Seven (7) of the Kersting Tract, as per map recorded in Book 26, Page 9, of Maps, Records of Los Angeles County, State of California, and also in and across Kersting Court and a portion of Baldwin Avenue, in the manner, to the extent and at the places shown on the improvement plans, profiles, cross-sections and details for said work, heretofore adopted and hereinafter referred to (excepting such portions of said drain as are now in place in accordance with and where shown on said plans).

That all of the work aforesaid shall be done in accordance with and to the grades shown on Improvement Plan No. 276 consisting of Sheets numbered 1, 4, 5, 16, 17, 21, 22, 23, and 24, on file in the office of the City Engineer of the City of Sierra Madre, and in further accordance with General Specifications No. B-10 and Special Specifications for said work, on file in the office of the City Clerk of the City of Sierra Madre.

Said improvement Plan, including profiles, cross-sections and details and Special Specifications above mentioned, were adopted by Resolution No. 420 of the said City of Sierra Madre and the same together with Resolution of Intention No. 421, being the Resolution of Intention for said work are hereby made a part of this Resolution and are hereby referred to for full and detailed description of said proposed work or improvement and for the description of the grade to which the work is to be done and are hereby made a part hereof.

That said contemplated work or improvement in the opinion of the Board of Trustees, also known as the City Council, of said City of Sierra Madre, is of more than local or ordinary public benefit, and said Board of Trustees hereby declares that the district to be benefited by said work or improvement, and to be assessed to pay the costs and expenses thereof, is described in said Resolution of Intention No. 421 of the said City of Sierra Madre, adopt-

ed by said Board of Trustees, also known as the City Council, April 23, 1929, to which said Resolution reference is hereby made for a description of said district.

The said City Council also determines and declares that serial bonds bearing interest at the rate of seven (7) per cent per annum shall be issued to represent each assessment of Twenty-five (25) Dollars or more remaining unpaid for thirty (30) days after the date of the warrant. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the fifteenth (15) day of the next November following their date. Payments on the principal of unpaid assessments and interest shall be made by property owners to the City Treasurer and the same shall be disbursed by him, all as provided in the "Improvement Act of 1911," hereinafter referred to.

All of the proceedings for the aforesaid improvement and for the issuance of said bonds shall be had and taken under and in accordance with an Act of the Legislature of the State of California, known and designated as the "Improvement Act of 1911," approved April 7, 1911, and under all Acts supplementary thereto or amendatory thereof.

Bidders must file with each proposal or bid, a check payable to said City of Sierra Madre, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal, or a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer an oath, in double the said amount and over and above all statutory exemptions.

Bids must be submitted on forms provided therefore which will be furnished by the City Clerk upon application.

Dated at the office of the City Clerk of said City of Sierra Madre, June 20, 1929.

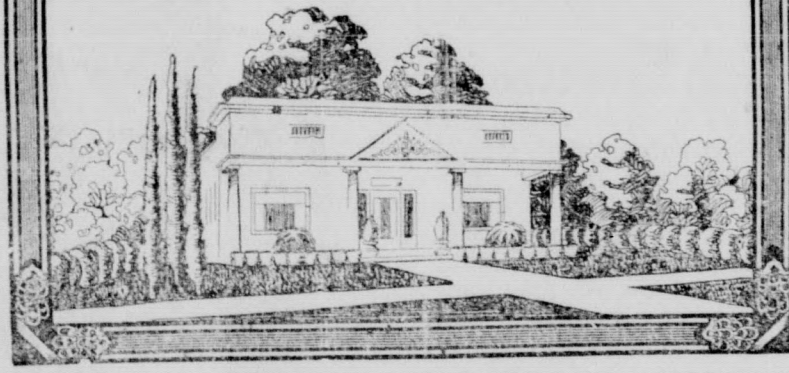

L. DIETZ,
City Clerk of the City of
Sierra Madre, California.

Six Ways You Gain

—when you ride the Big Red Cars

1 Low Cost

Commutation fares to Los Angeles are far lower than other forms of transportation. Figure the saving in your own individual case. You save the cost of parking fees, too.

2 Added Leisure

Every time you ride, you win extra minutes to rest, read or study.

3 Less Nerve Strain

You avoid traffic and parking worries. You arrive rested, ready for the day's activities.

4 Pleasure for your family

When you ride the Red Cars, your family has the use of your automobile all day.

5 Safety

The motorman's whole job—the Pacific Electric's responsibility—is to get you safely to your destination.

6 Convenience

The Big Red Cars travel the direct route, mostly over private rights-of-way. Investigate the convenience of schedules. Try the Red Cars the next time you go to Los Angeles.

Ask also about the popular new money-saving Passes for Sunday travel.

"GIVE THE DEVIL HIS DUES"

THIS is an old saying, just as trite as the
subject matter of this discussion, but
bear with us this one more time and we
promise to forever remain quiet on this
particular line.

Do you realize that the amount of money
received from subscriptions to this or any
other newspaper constitutes a very small
part of the revenue which enables us to
operate and give you a home-town paper?
The real money comes from the merchants
who carry advertising with us.

We are sure that you read these ads. for
we have numerous testimonials every week
that they "bring results." But quite often,
we believe, you could render a real service
to this newspaper and at the same time re-
assure the merchant that his advertisement
is being noticed, if you would just drop a
comment to the effect that you "saw it in
the Sierra Madre News."

We want to give you all the local news
possible and in every way give you an in-
teresting home-town paper. We cannot do
this without advertising, however, and
the more ads we have the bigger and news-
ier paper we will be able to put out. Won't
you help us?

GOOD THEATRE NEEDED HERE

IT WAS NO SURPRISE to anyone when
the Wistaria Theatre closed its doors re-
cently. The building was poorly ventilated,
the seats were none too comfortable, there
were no facilities for handling sound pic-
tures and, furthermore, the management
for some time past has failed to use news-
paper advertising.

But there is an urgent need in a city of
this size for a high-class motion-picture
theatre. The children cannot be allowed to
go away to neighboring cities alone, and the
added expense of car fare or gasoline pro-
hibits parents from going as often as they
might desire.

Moreover, when they do go, quite often
they leave early enough to do some shop-
ping in the nearby city, have dinner at the
cafe there, perhaps, and then attend the
show; in all likelihood dropping in at the ice
cream parlor as a parting gesture. In all,
they drop several dollars there which would
be well spent right here at home if we had
a modern theatre to induce them to stay
here.

The beautiful large theatre at Monrovia
has a packed house for two performances
almost every night. People demand mod-
ern conveniences and comfort, and when
these are offered they will respond gener-
ously.

THE INCEPTION OF SOCIALISM

RECENTLY an inquiry came to our desk
as to the inception of socialism, a ques-
tion which is attracting considerable atten-
tion everywhere and in view of what is
taking place in Soviet Russia it is a subject
that deserves rather wide notice.

According to Col. LeRoy F. Smith, editor
of the Bi-Weekly Bulletin, Better American
Federation, "No one knows when the social-
istic idea was born. Probably in the brain
of the first idealist who observed human
poverty—his own or some other fellow's.
But in modern times, the socialistic idea
was given its first articulate expression in
the form with which we are familiar, by
the German apostate Karl Marx, who on
May 1, 1776, organized in Bavaria the Or-
der of the Illuminati. Years later, in 1848,
as a venerable old man he wrote the Holy
Scriptures of all present-day Socialism, the
book called 'Capital.' A year or so later,
he and his collaborator, Frederick Engels,
wrote the constitution, ritual, or drill regu-
lations of Socialism. It is called 'The Com-
munist Manifesto.'"

"The golden text of all the Socialists is
this: 'Production for use and not for profit.'
In other words, the elimination of individ-
ual enterprise by the nationalization of
wealth, the removal of the control of com-
modities by individuals and the placing of
that control in the State. The name 'So-
cialism' connotes that; it has been so used
by all Socialists of whatever sort, from the
beginning."

Yet Socialism has not proved itself work-
able. It has rather proved itself a colossal
failure and one which is not likely to be
tried out by governments and more espe-
cially by that of the United States.

SIERRA MADRE AND AVIATION

SIERRA MADRE has again been singled
out as the ideal place for an airplane
landing field. On at least three different
occasions recently a government mail plane
has been able to find a "hole" in the fog
blanket in this vicinity and has brought his
plane down in one of the adjacent "pas-
tures." In each case, this was the one and
only spot of land visible to the aviator west
of San Bernardino.

Now the Fox Film Corporation has selec-
ted the 272-acre field just south of Sierra
Madre and fronting on East Live Oak Ave-
nue, for "location" to film a war picture in
which air-plane stunting will be one of the
outstanding features. This spot was chosen
after careful investigation of a number of
locations, according to the statement of the
construction foreman, because air condi-
tions are most nearly ideal and there is so
much open country around here for forced
landings which are probable because of the
dangerous stunts to be performed. A huge
hangar is now being built and planes will
be here by the first of next week.

Sierra Madre, on account of its location
away from water and railroad facilities, is
at a disadvantage. But here is one natural
advantage that should be capitalized. Large-
er and larger amounts of capital are being
invested in airports by municipalities as
well as commercial interests. It is natural
that the Southwest should stand out as the
most "air-minded" section of the country for
flying conditions are almost ideal and
weather conditions are conducive to manu-
facturing efficiency.

According to a recent report of the Aero-
nautics branch of the United States Depart-
ment of Commerce more than 30 per cent
of all air activity and approximately 40 per
cent of all planes and pilots licensed by the
government are in the southwest. Govern-
ment records show 5653 licensed or identi-
fied air-craft in the United States at the
close of 1928. Of this number California
ranked first with 801. Local authorities be-
lieve that there are 600 or 800 additional
airplanes in the state which have not been
licensed or identified by the government,
thereby bringing the total number of air-
craft in the state to 1200 or 1300. In Los
Angeles county alone there are twelve pro-
ducing airplane factories and four plants
manufacturing aircraft motors.

The total value of aircraft and accesso-
ries produced in 1928 by concerns in the
southwest is estimated to be in excess of
\$4,000,000. In the United States as a whole
there are now approximately 1500 airports
compared with 1047 at the close of 1927.

Let's get busy and use every means to
bring one of the next airports here, where
it logically belongs.

LOCAL BUS SERVICE NEEDED

SIERRA MADRE has the population and
the per capita wealth to support a bus-
ness section many times the size of what
we have, and do it better than is being
done for our merchants at this time. Bet-
ter support would enable these merchants
to carry more complete lines of merchan-
dise, have better business buildings, and
give better service in general to their
patrons.

There are no grounds for excusing this
lack of loyalty to your home-town merchant
by the statement that we are too close to
larger, adjacent cities. The man or woman
who fails to give his home merchant, who
is his friend and neighbor, the first chance
to serve his needs, certainly has no call to
"howl" about lack of prosperity in his town,
for the town is just what we individuals
make it.

There is one thing which would tend to
encourage better patronage of local mer-
chants, and that would be some sort of bus
service over this rather scattered and hilly
community. It is almost impossible for a
woman to do certain kinds of shopping over
the telephone, and many of these women
either do not have the use of a car during
the day, or else they are unable to drive
one. But if they had a cheap bus service
they could come down town several times
a week and do their buying much more sat-
isfactorily and often much more economi-
cally.

Such a bus service undoubtedly could be
made at least self-supporting, even if it
would not show a profit, and it would pay
the local merchants to underwrite such a
proposition even if they were compelled oc-
casionally to dig down and make up a
deficit.

This would be an excellent time of the
year to start such a service, just when the
hot weather is starting and just when the
canyon swimming pool is being opened up.
Traffic should be good, both carrying peo-
ple to the canyon and bringing others down
town to trade.

LEADING THE PROCESSION

THE Scurry County Times Signal, of Snyder,
Texas, the largest weekly newspa-
per in Western Texas, runs an interesting
article showing how that enterprising little
city in the Southwest has provided the most
modern and unique airport so far conceived
for a town under 100,000 population.

Snyder is building an airport sufficiently
large to take care of air fleets together
with a series of modern cabin inns to
handle tourist traffic. More than 3000 feet
of landing area will be provided with clear
approaches in all directions. The field
proper includes facilities for housing, fuel-
ing and servicing planes. It has air mark-
ers that can be seen for fifteen miles.

Airports are today the most essential
thing in developing air transportation and
Snyder is to be congratulated on its enter-
prise which sets an example for towns in
all parts of the country.

Able Speakers Mark Meeting Of Kiwanians

Rev. Oscar Sweeney Proves
World Is Moving Into
the Light

Missionary From China In-
spires Audience With
Narrative

Two very interesting talks were
given last week at the regular
meeting of the Sierra Madre Ki-
wanis Club. One of these was by
Oscar Sweeney, a local speaker,
and the other by Father Raphael
Vance, formerly of Philadelphia,
but recently stationed as a mis-
sionary apostolic in Hunan Pro-
vince, China.

Mr. Sweeney took as his sub-
ject "Straws," and basing his
thought upon the old adage which
says that "the straws always
show which way the wind blows"
he proceeded to show that the
world is not going to the "eternal
bow-wows" as many of the older
generation claim, but is really
emerging "from darkness into
light."

The first "straw" which Mr.
Sweeney cited as blowing in the
right direction was that of Good
Cheer. The world is more full
of happiness today than it ever
was, he stated. But to be of good
cheer, it is necessary often to
forget many things.

Health conditions today are bet-
ter today than ever before. Man's
span of life has been lengthened.
"Better business Methods" was
the third "straw" which was cited.
The matter of rendering service
in business today plays a para-
mount part, he stated. If the out-
standing wealthy men of this na-
tion do not give of their sub-
stance for the benefit of humanity
they are virtually disgraced.

Statesmanship is now in the
ascendancy, said the speaker, and
he does not predict war clouds
in the near future. He commended
the method of above-board dip-
lomacy used by Ambassador
Dawes and Premier Ramsey Mac-
donald in their recent conference.

Education is increasing in scope
and quality, he said. More than
1000 students are being graduated
this summer from each of the
three large state institutions of
California. The age range is from

17 to 74. The students today en-
joy facilities and privileges that
were not even dreamed of a few
years ago.

Religion of today gives ground
for new hope. The churches are
getting a more comprehensive
view of affairs and trying harder
to apply the basic principles.
There is a better understanding
among sects and creeds and a
closer fellowship among mankind
in general. The service clubs
such as Kiwanis help to foster
this idea.

The seventh and last "straw"
that is "floating from darkness
into light" is that of unity, team-
work, cooperation, or whatever
one may choose to term it. That
may be seen on our athletic fields,
among our business men, or
among nations. Specific reference
was made to the success that
came with the appointment of
General Foch as the leader of the
Allied Armies in the World War.

Rev. Vance, the second speaker
on the program, held his audience
breathless as he told of his har-
rowing experiences as a Roman
Catholic missionary in interior
China during the past seven and
a half years without ever having
come out to the coast once dur-
ing those troublous times. Three
of his comrades were murdered in
cold blood by bandits and their
bodies kicked into a 40-foot well.

The town of Poatsing, in Hu-
nan, is one month's journey from
Hankow, where is to be found the
nearest railroad, or automobile.
In Poatsing the natives have
never even seen a bicycle and
there are no roads to ride them on,
anyway. He estimated that civ-
ilization is some 2000 years be-
hind what we have in this coun-
try today.

Travel is very difficult in that
country. Rapids wreck the frail
boats in the rivers and bandits
assail the traveler by land. The
latter are usually unpaid soldiers.

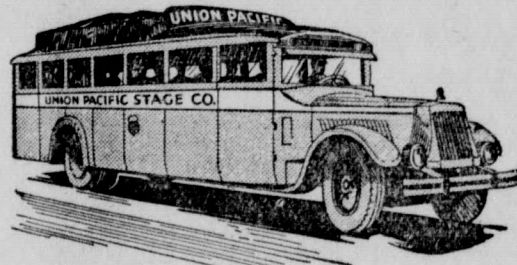

"The Chinese in the remote re-
gions have absolutely no concep-
tion of charity as we think of it,"
Father Vance said. "They think
we are all spies and that we will
cut out their hearts for use in
making medicines, and the eyes
to be used in telescopes, if they
fall into our hands after death."

But in spite of the most un-
palatable food, the scourge of ty-
phoid, cholera, dysentery, numer-
ous famines, the spirit of distrust,
the constant risking of one's very
life by violence, Father Vance
says he is by no means discour-
aged and expressed his intention
to return to his labors in a few
months, where he will be the
only white man among 500,000
natives, and where he is priest,
doctor, judge and teacher all in
one.

FASTER SERVICE to the EAST!

Union Pacific Auto-Bus-Service Direct to

East Los Angeles
Passenger Station

THE Union Pacific is now operating large,
luxurious Auto-Parlor-Cars to and from
its new East Los Angeles Passenger Station
located at the intersection of Atlantic Avenue,
Telegraph Road and Goodrich Boulevard.

All through passengers to and from the East
are carried on these Auto-Parlor-Cars without
extra fare. They connect with all eastbound and
westbound trains at the new station, effecting
a big saving in time, as compared with depart-
ure from or arrival at the Central Station,
Los Angeles.

Consult the time table below for nearest
points at which to take Auto-Parlor-Cars.

LEAVE TO SPEND SUMMER IN IOWA—

Mrs. Gilbert S. Bovard and baby, Gilbert Klemme, left Monday evening via the Union Pacific for Mason City, Iowa, where they will spend the summer visiting Mrs. Bovard's sister and brothers. They were accompanied on their trip by Dr. W. S. Bovard of Evanston, Ill., who has been out here for three weeks to visit his son, Dr. Gilbert Bovard, who is very ill at the Monrovia Sanitarium. Mrs. Bovard and baby will also spend some time at the home of Dr. and Mrs. Bovard at Evanston before they return.

HEALTH PLAY GIVEN BY STUDENTS—

A four-act health play, written by Mrs. Francis Eakman, was given at the Sierra Madre school last week. Mrs. Eakman also directed the production. Considering the short time of preparation it was well done. Miss P. Thaler, music instructor, chose songs for the play.

ENTERTAINED AT CARDS AND DANCING—

Cynthia Hull entertained twenty boys and girls at her home Saturday evening with cards and dancing. Prizes were won by Sarah Jane Griebenow, Ernestine Manning, Lindsay Craig and Weston Senour. The lucky number prize was won by Emanuel Silberman.

Dr. Gilbert S. Bovard is reported gaining in weight at the Monrovia Sanitarium but is still unable to see visitors.

W. R. Morgan took his family to Long Beach Saturday to stay all summer. Mrs. Morgan will return from Honolulu July 5 and join them there.

Mr. and Mrs. Howard C. Lieben of 632 West Montecito, will leave Sunday for Long Beach where they have rented an apartment for the summer.

W. R. Humphries spent the past week end at his home here but returned again Monday to Murietta Hot Springs, near Lake Elsinore, where he is spending a few weeks for his health.

The Rev. R. C. Lewis of the Hawthorne Community Church is the pulpit guest of Rev. W. D. Ogg, pastor of Bethany Church, who has been confined to his home for some time with rheumatism.

Prof. and Mrs. John Hart, 496 West Central, have gone to Ocean Park to spend the summer in the hope that Prof. Hart's health will be improved. They are living in the Paloma Apartments. On July 2 Prof. Hart will celebrate his 86th birthday.

Mr. and Mrs. George Croft and family of 391 Grove Street have sold their property here and bought a home at 1433 Garfield Avenue, Glendale, where they now reside. They state that they regret very much to leave Sierra Madre where they have made a host of friends in their 4-years' stay here.

Claude Vedder, local electrician, went to El Centro Saturday to spend the week-end with his wife, who is visiting there for her health at the home of Mr. Vedder's mother. He reports that she is gradually improving but will remain for some time yet. Mr. Vedder will go again to spend July 4th.

Word is whispered 'round that wedding bells will soon ring for Bob Summerhill and Mrs. Bessie Wood, the latter a visitor here from New York state. They are keeping the date a secret, but a marriage license has already been obtained. Dame Rumor has it that Mr. Summerhill is working at least ten hours a day on his painting and paper-hanging jobs in order to go on a honeymoon, destination unannounced.

INTERESTING RECITAL AT GAZE HOME—

Mr. and Mrs. Leslie Gaze of 463 Mariposa gave a most interesting recital at their home Monday evening. Those participating in the program were Mrs. Dickenson of Los Angeles; Betty Nichols, Altadena; Dr. Frank Poole, Pasadena; Francis Eakman, Sierra Madre; Mrs. Carl Arbenz, of Glendale, in a sketch of her own experiences; Mrs. Leslie Webb, a dramatic reader, in an allegorical selection of her own composition; and Mr. Gaze.

Mrs. Henry Isaacs and Miss Esther Silberman attended a matinee Wednesday in Los Angeles.

Mrs. Henry Matthews of Joliet, Ill., will be a first-of-the-week guest at the Francis Eakman home on Mariposa.

Mrs. Francis Eakman told stories Friday, June 21, to the fourth grade of the Carthay Circle school, in Los Angeles.

Raymond and Danson Tarr left Thursday for a camping trip of indefinite duration at Convict Lake, in the High Sierras.

Mr. and Mrs. W. E. Pratt and son of 667 West Grand View motored to their cabin at Lake Arrowhead over the week-end.

Donald Henderson of Lamanda Park and George Tyler hiked up the Mt. Wilson Trail Saturday and enjoyed a picnic lunch en route.

James S. Black, formerly editor of the El Paso Times, will be the guest of Harry Lyons, 80 East Laurel, next Saturday afternoon.

William Deutsch, proprietor of the Sierra Madre Billiard Parlor, reports a successful snooker tournament last Friday evening in which sixteen 'sharp-shooters' participated. In the elimination Randolph Perry won first prize and Fred Malone second prize.

CERTIFICATE OF BUSINESS
I, the undersigned, do hereby certify that I am conducting a general laquer business at 1803 East Eleventh Street, in the City of Long Beach, County of Los Angeles, State of California, under the fictitious firm name of 'Re-Nu-Lac Laboratories'.

That said firm is composed of the following person whose name and place of residence is as follows:

I. H. McCoy, 1803 East Eleventh Street, Long Beach, California.

IN WITNESS WHEREOF I have hereunto set my hand this 14th day of February, 1929.

I. H. McCoy.

STATE OF CALIFORNIA.

COUNTY OF LOS ANGELES.

On this 14th day of February, 1929, before me, Irene Moncur, a Notary Public in and for said County and State, residing therein, duly commissioned and sworn, personally appeared I. H. McCoy, known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

IRENE MONCUR,
(Notarial Seal)
Notary Public in and for said County and State.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

No. 273359
In the Superior Court of the State of California in and for the County of Los Angeles.
H. G. FARRAR, Plaintiff,
RICHARD D. JOHNSON, et al, Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 11th day of June, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against RICHARD D. JOHNSON, BERTHA E. JOHNSON, CLARK C. STEWART, CHRISTINA STEWART, Defendants, on the 4th day of June, 1929, for the sum of Fifty Hundred Eighteen and 99-100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 6th day of June, 1929, entered and recorded in Judgment Book 732 at page 79 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot fifty-one (51), tract fifty hundred fifty-one (5051), as per map recorded in book 90, pages 8 and 9 of Maps, Los Angeles County Recorder's office.

PUBLIC NOTICE IS HEREBY GIVEN that on Saturday, the 6th day of July, 1929, at 10 A. M. of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the

highest and best bidder for cash, gold coin of the United States.

Dated June 11, 1929.
R. E. ALLEN,
Commissioner appointed by said Superior Court.

Haines Uses Real Stadium As Scene Of Latest Picture

Using a real stadium as a scene, Wm. Haines stages one of the most sensational prize fight sequences in film history in his new play, "The Duke Steps Out," shown at the Monrovia Lyric Theatre June 30 and July 1. Joan Crawford as heroine heads a big supporting cast.

The liveliest and perhaps the last of the Dorothy Mackaill-Jack Mulhall film romance is appearing at the Lyric Friday and Saturday, July 5 and 6. It is the film version of the stage success, "Two Weeks Off," by Kenyon Nicholson, author of "The Barker."

Conrad Nagel, Bessie Love and Leila Hyams are featured in "The Idle Rich," adapted from the stage success, "White Collars." It will be shown at the Lyric Tuesday, Wednesday and Thursday, July 2, 3 and 4.

Declare Billboards Menace to Safety

Maintaining that badly located billboards are a detriment to the roadside and a menace to safety, the directors of the National Automobile Chamber of Commerce adopted the following resolution: "Advertising billboards erected in large number along and adjacent to the highways unnecessarily mar the appearance of the countryside and detract from the pleasure of motoring."

"Such signs are in many cases erected at points, such as curves, and railroad and highway intersections, where they are a positive menace to the safety of operators and users of motor vehicles. By distracting the attention of drivers they may be a contributing cause to accidents."

"The National Automobile Chamber of Commerce endorses civic efforts to improve this situation in the public interest and specifically and emphatically disapproves of any and all advertising along our rural highways which may imperil life, limb or property."

This action is in keeping with the clean up and beautify-the-roadside campaign of the Automobile Club of Southern California.

MOTHERS, ATTENTION!

"America's Finest Milk"

Adohr's trophy case holds 15 silver cups like these, won in many contests...four of them in four annual National Certified Milk contests since 1923

ON top of the highest building at the corner of Seventh and Broadway in Los Angeles is a huge lighted sign with the words "Adohr, America's Finest Milk." This is not a title conferred by any board of judges...it is not an award for winning any single milk scoring contest. It is an honorable name earned by Adohr...and by Adohr only...for a 12-year record of the highest continuous scoring percentages in city, county, state and national contests of any milk ever produced in the United States.

Adohr is called "America's Finest Milk" because as a certified milk the legal standards covering its production are higher than those of any other grade of milk—

And because, among all certified milks, four times in successive entries it has won the annual National Certified Milk contest—

Because, seven times since 1920, it has scored higher than any other milk at the annual California State Fair—

Because, in 21 out of 27 announced Los Angeles City Health Department regular tests since 1918 it has been given the highest score—

And, finally, because it is the only certified milk which has ever won a score of 100% in a milk contest.

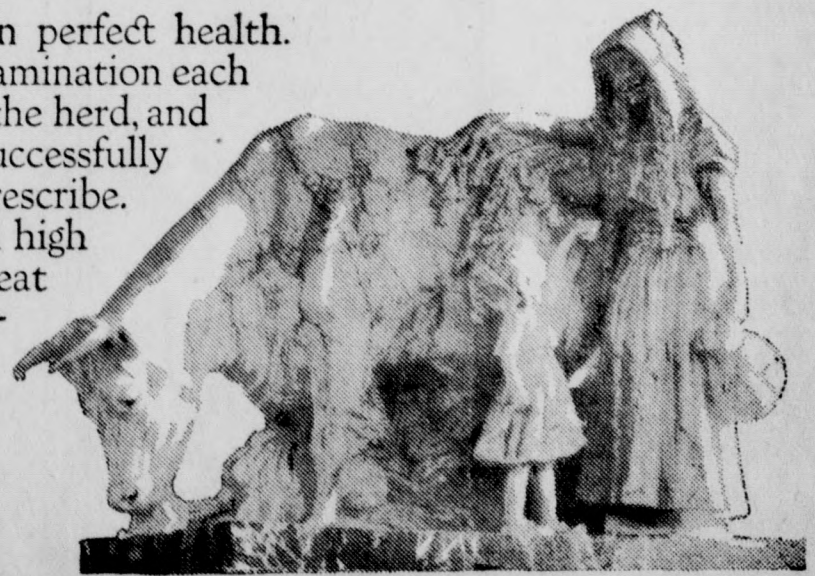

This record is not only unequalled...it has never been approached. ...And until it is surpassed, this famous product will continue to hold undisputed right to call itself... "Adohr, America's Finest Milk."

DAY after day, safeguarded by the greatest care that human ingenuity can place around it, Adohr Certified Milk is dependable. From the tiny infant to whom its uniformity is vital, to the watchful mothers and specialists who value its splendid quality, Adohr Certified Milk is the steady assurance of cleanliness and purity.

Every cow at Adohr Stock Farms is tested and in perfect health. Every Adohr dairyman undergoes a complete physical examination each month. To protect this health, no new cows are added to the herd, and no men join the staff of dairy workers until they have successfully passed the most rigid tests that scientific knowledge can prescribe. This is the care that makes every bottle of Adohr Certified high scoring milk...this, and a pride in the leadership of a great industry. The confidence of those who use Adohr Certified Milk is well and rightly placed.

KRAVETZ-ROZEN ENGAGEMENT PARTY

Sunday evening from 7:30 until after midnight the Masonic Temple, Sierra Madre, was the scene of one of the outstanding social events of the season, when 350 guests attended the announcement of the engagement of Miss Esther Kravetz, daughter of Mr. and Mrs. F. Kravetz, to Mr. Harry Rozen, son of Mrs. Cohen of Los Angeles.

The bride-to-be, a charming brunette, was beautifully gowned in a pink and white flowered georgette.

The banquet tables were elaborately set in a horseshoe figure around the hall, and laden with a menu complete in every detail. The tables were centered with pink and white summer flowers used in profusion around the banquet board.

Most of the 350 guests were seated, although many were buffet-style from other tables. Dancing was enjoyed after supper, music being supplied by a radio orchestra.

The young people were given many useful and costly gifts including a complete silver set from Temple Beth Israel, silver candle sticks from the Ladies Auxiliary of Beth Israel, dishes, linens, silverware, watches, clocks, etc.

The presentation of the silver set was made by A. Platt, president of Temple Beth Israel, and the silver candle sticks were presented by Mrs. Lessa, secretary of the Auxiliary.

A short speech was given by J. Weber, commending the work of F. Kravetz in the organization of Beth Israel here, and the Hebrew school.

Guests were present from Sierra Madre, Los Angeles, Hollywood, San Diego, Pasadena, Arcadia. Telegrams were received from friends who could not attend, from Oklahoma, Los Angeles and Temple Beth Israel.

GRADUATES SURPRISED BY FRIENDS

Marguerite Lalone and her cousin Bertha Lalone were given a surprise party Saturday night at the Lalone home in Pasadena, at the Lalone home in Pasadena, in honor of their graduation from the John Muir Tech. Forty young people enjoyed a most pleasurable evening dancing. Refreshments were served later in the evening.

Edith Hawks left Thursday for Santa Barbara to visit her aunt for a week.

Mrs. Ludwig Melzner spent several days last week in Los Angeles on business.

Mr. and Mrs. Roy Pickett and daughters spent the week end at Belmont Pier, Long Beach.

Mr. and Mrs. Tom Tyler will spend next week end along the ocean beach between Santa Barbara and Ventura.

Paul Rice spent Wednesday night at Hermosa Beach, swimming with the Pasadena employees of the Western Union.

Mr. and Mrs. Fred Hooker Jones of 139 West Live Oak spent the week-end at their summer home on Alamitos Bay.

The new Arcady Tavern on Huntington Drive in Monrovia is now completed and Mr. Cady reports a fine opening business.

Mr. and Mrs. Emil Smith of Wilson Avenue spent a few days last week at San Clemente, during Mr. Smith's vacation from work in the local post office.

Mr. and Mrs. Charles Bennett of Alamitos Bay, Long Beach, who own property on Auburn Avenue, spent a few days here last week looking after their holdings.

Dr. Mitchell of the Wistaria Hotel has received word that the Treco family have arrived at their destination near Chicago, Illinois, making the 2600 miles in six days, with no car trouble.

Fred Griebenow and Frank Cox of the Sierra Madre Hardware Co. spent Tuesday, June 25th, attending the fifth annual Southern California Atwater Kent dealer convention at the Ambassador Hotel. A banquet was held in the evening.

BANKERS ATTEND BANQUET

H. E. Allen and Herbert Ingraham attended the monthly meeting of the Citrus Belt Bankers' Association Friday evening at the Aztec Hotel, Monrovia, in connection with the dinner meeting of the Independent Bankers' Association. Sheriff Traeger was the guest of honor and gave an interesting account of the history of California. About 100 guests were present at the banquet and meeting.

Mr. and Mrs. W. J. Lawless spent the past week at San Clemente.

Mr. and Mrs. Sand of Colton, South Dakota, were Sunday callers at the home of Mr. and Mrs. George Moran, 162 Grove street.

Mr. and Mrs. Fred Griebenow spent the week end at the St. Catherine Hotel, Catalina Island, to celebrate their 25th wedding anniversary.

Mr. and Mrs. Middough were pleasantly surprised Thursday night of last week when four carloads of friends from Long Beach visited them.

Mrs. W. E. Pratt drove to Long Beach Monday and spent the day with her parents, Councilman and Mrs. Hicks, and enjoying a swim in the ocean.

Roy Edwards of 307 Mariposa is expected home Saturday after a visit with his parents in New York state, whom he had not seen for twenty years. During his absence his laundry route has been handled by his brother.

Mr. and Mrs. Al Wheeling had as a house guest over the week end Mrs. Langdon of Fullerton. Sunday they drove their guest to Yucaipa, near Belmont, to call upon old friends from Pennsylvania.

Mrs. T. P. Buie of 52 East Highland was a guest Monday of Mrs. R. B. Rawls, Pasadena, at a bridge party given at the Masonic Temple by the Ladies of the Knight Templars. Over 100 guests were present.

Mrs. Fred Griebenow, her sister, Miss Emily Elizabeth Barker, and two daughters, Sara Jane and Margaret, and Mrs. Kendall spent Tuesday at Balboa Beach, swimming and enjoying the cool ocean breeze.

Mr. and Mrs. R. W. Stewart were Sunday guests of Mr. and Mrs. Insley at the Soboba Hot Springs at an anniversary dinner at which were present forty couples, all prominent in Legion and Auxiliary circles. The swimming pool proved the most important form of diversion for the afternoon.

R. W. Stewart flew to San Francisco last week to attend the executive council of American Legion. The trip was made in a Pickwick 8-passenger Bach plane, seven other members of the executive committee from Southern California accompanying him. The flying time to the Bay City was 3 hours and 30 minutes. Mr. Stewart states a delay was caused by cloudy weather. Over the Santa Cruz Valley they had to fly as low as 500 feet to keep under the clouds, and a wonderful view of the valley was obtained. Over the San Joaquin valley an altitude of 7500 feet was gained. The return trip was accomplished in 2 hours and 48 minutes, and an altitude of 6000 feet maintained all the way. Bob Kennedy, a war flyer, was pilot.

School Cafeteria Makes Profit on Year's Business

The total receipts of the school cafeteria the past year were \$2700. The P.T.A. originally instituted the cafeteria in the schools but they are now a part of the regular school work and are supposed to be self-supporting. Sierra Madre had been fortunate in securing an able manager in Mrs. Patterson to fill the position of buyer-manager-bookkeeper, dietitian and cook, incorporating her vast experience in organizing and managing (she formerly organized and managed missions in China and in the United States) and recent experiences in university courses on dietetics, into the work, striving unreservedly to serve the correct dietetic needs of the children, to give them, first of all, quality, quantity and variety at 5c per dish, and still clear \$85, plus a keen and active interest in character building in contact with the pupil-helps, she has achieved something just short of the miraculous with only 75 pupils, out of 285, daily patronizing the cafeteria.

The P.T.A. pays \$200 yearly to a part time assistant and also provides milk, lunches and other needs to children and also is forced to meet all deficits (if any) of the cafeteria, and pay the manager if necessary. And remember P.T.A.'s have to earn this money.

The school board has purchased record filing cards (children's cumulative record) exactly like those in use in Pasadena. These will put our children on an equal basis upon entering Junior High with Pasadena children. This reveals a complete record of home conditions, habits, attitude, industry, accuracy, initiative, cooperation, leadership, physical vitality, mental achievement and other graphic trait ratings and will be kept from the kindergarten up.

CERTIFICATE OF BUSINESS
FICTITIOUS FIRM NAME
THE UNDERSIGNED do hereby certify that they are conducting a manufacturing and sales business at 510 W. 12th Street, Los Angeles, California, under the fictitious firm name of Syndicate Publishers and that said firm is composed of the following persons, whose names in full and places of residence are as follows, to-wit:

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.
No. 274999
In the Superior Court of the State of California in and for the County of Los Angeles.
EMMA BRACKBILL, Plaintiff.

DANIEL McCONNELL, et al. Defendants.
Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 7th day of July, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against DANIEL McCONNELL and MANILLA McCONNELL, Defendants, on the 4th day of June, 1929, for the sum of Twenty-three Hundred Twenty and 00/100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 6th day of June, 1929, entered and recorded in Judgment Book 719 at page 17 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

The East forty-three (43) feet of Lot Nineteen (19), Eriksson-Wood Tract, as per map recorded in Book 54, Page 14 of Maps, in the Office of the County Recorder of said County, EXCEPT the South one hundred (100) feet thereof.

PUBLIC NOTICE IS HEREBY GIVEN that on Saturday, the 6th day of July, 1929, at 10 o'clock A. M. of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.
Dated June 7, 1929.
R. E. ALLEN,
Commissioner appointed by said Superior Court.

Gas Company Opens Model Kitchen In Monrovia Tuesday

The model kitchen built by the Southern Counties Gas Co. adjacent to its office at 144 East Lemon Avenue, in Monrovia, will be opened to the public and formally dedicated to the women of the Upper San Gabriel Valley at 2 o'clock Tuesday afternoon, July 2, according to an announcement by Walter E. Keefe, district manager for the company.

The public generally, but especially all women, are invited to view the kitchen, which was designed by Ernest Irving Freese, probably the most noted designer of convenient and colorful kitchens on the Pacific Coast. The hours for the inspection of the kitchen on the opening day are from 2 o'clock in the afternoon until 9 o'clock in the evening. Refreshments will be served by a committee of hostesses representing the women's organizations in this section.

Woman's Club Notes

INSTALLATION OF OFFICERS

Before a good-sized audience on Wednesday, the incoming officers for the season of 1929-1930 of the Sierra Madre Woman's Club were installed by Mrs. Fletcher White, past president of the club. With very little prearranged form the following officers were duly installed:

President, Mrs. John H. Robertson.

First Vice-President, Mrs. Emil Sturmthal.

Second Vice-President, Mrs. Elizabeth Walker.

Treasurer, Mrs. Wm. Lees.

Recording Secretary, Mrs. Wm. H. Wolfe.

Corresponding Secretary, Miss Edna R. Green.

Auditor, Mrs. Louis Dietz.

Elected Directors—Mrs. Adelaide Ackley, Mrs. F. E. Chamberlain, Mrs. Ethel R. Davis, Mrs. N. E. Hutton.

Appointed Directors—Mrs. H. B. Hersey, Mrs. C. E. Sommer, Mrs. W. R. Humphries, Mrs. Elmer A. Green.

In her acceptance speech Mrs. Robertson spoke briefly of her hopes and plans for the coming year, stressing the point that Service must be the watchword. The club must be of service to the community to justify its right to be. The president hopes to give a great deal of time and effort to three branches of work: Juniors, Philanthropy and a Forum to be conducted by Dr. Frederick W. Roman twice each month. The club as a whole is looking forward to a year of happy and worthwhile achievements.

Mrs. Robertson wishes to make two personal announcements.

First: her deep and sincere thanks to her retiring board of directors, all committee chairmen and department leaders and to each and every loyal club member for her loyal support and co-operation.

It is only in the united strength of the entire club that a president can accomplish much and Mrs. Robertson is very grateful for the wholehearted spirit in which she was received.

Second, Mrs. Robertson wishes it to be known that the club feels itself honored by the fact that one of its members, Mrs. Elmer Green, has been asked by Mrs. W. U. Sherwood, president of the Los Angeles District, to become district chairman of International Relations, succeeding Mrs. Chas. H. Richmond.

Preceding the installation ceremony there were two-minute reports by each committee and department chairman. The following told of work accomplished during the year: Art, Mrs. Fred Griebow; Book Reviews, Mrs. John Osgood; Drama, Mrs. J. Milton Steinberger; War Veterans, Mrs. Philip Senour; Gardens, Mrs. A. R. Hinton; Motion Pictures, Miss Virginia Jones; Birthdays, Miss Hart; Programs, Mrs. Walter Peckler; Ways and Means, Mrs. Elizabeth Walker; Finance Committee, Mrs. Woodson Jones; Secretary's Report, Mrs. Nestor Young; Treasurer's Report, Mrs. William Lees; Auditor's Report, Mrs. Harvey Steinberger.

The set of books kept by Miss Clara Sykes during the Wistaria Fete were highly praised by the auditor.

At the close of the formal part of the day's program the club was given a delightful hour of musical readings by Mrs. Milton Steinberger, accompanied by Mrs. Myrtle Hill at the piano. Mrs. Steinberger read a group of three charming little poems by Mrs. Scantleburg and set to music by Mrs. Hill. These were followed by a reading of "King Robert of Sicily" from Tales of a Wayside Inn by Longfellow. This tale was read most delightfully and Mrs. Hill's playing gave a deep and beautiful background. It is the sincere hope of the club that it may have more such programs in the future by these two artists.

Following the program Mrs. Greese as usual had a most charmingly appointed tea table prepared for the social hour. Mrs. Greese's teas have been one of the outstanding accomplishments of the club year and her faithfulness was shown Wednesday when she came up from her vacation at Hermosa Beach to prepare tea. Her table this time was a clever beach scene with

Students May Continue School Work at Avalon

Avalon, Catalina Island, Calif. June 27.—Announcement of summer school sessions to open July 8th and continue for six weeks until August 16 is made by Principal M. B. Dunkle of the Catalina high and elementary schools. Classes will begin at 8 and dismiss at 11 a. m.

Students who have been conditioned in one or more subjects will be able to make up their grades at the Catalina summer school. High school students may secure additional credits or bring up their work to remove failure grades or bring up non-recommending grades, it is stated.

Students planning to go to Catalina for a vacation will be afforded the opportunity to combine an outing with studies. It is requested by the Santa Catalina schools that students send in their applications for entrance in the summer school as early as possible, giving indication of what subjects are desired so that classes may be arranged.

ORDINANCE NO. 335

AN ORDINANCE OF THE BOARD OF TRUSTEES, ALSO KNOWN AS THE CITY COUNCIL, OF THE CITY OF SIERRA MADRE, FIXING THE TIME AND PLACE OF HOLDING MEETINGS OF THE BOARD OF TRUSTEES, ALSO KNOWN AS THE CITY COUNCIL, OF THE CITY OF SIERRA MADRE, STATE OF CALIFORNIA, AND REPEALING ORDINANCES NO. 318, 328 AND 334.

The Board of Trustees, also known as the City Council of the City of Sierra Madre, do ordain as follows:

SECTION I: That the regular meetings of the Board of Trustees, also known as the City Council, of the City of Sierra Madre, State of California, shall be held on the second and fourth Wednesdays of each month at 7:30 o'clock P. M., provided that whenever the time for any of said meetings falls upon a legal holiday the same shall be held upon the next business day, at the same hour, unless otherwise ordered by said Board of Trustees.

SECTION II: That the building belonging to the City of Sierra Madre, located at the Northwest corner of Central Avenue and Windsor Lane, in said City of Sierra Madre, shall be hereafter known as, and is hereby named and designated the City Hall of the City of Sierra Madre; and all meetings of the Board of Trustees, also known as the City Council, of the City of Sierra

Madre, California, regular and special, shall be held in the said City Hall of said City located at said Northwest corner of Central Avenue and Windsor Lane in the said City of Sierra Madre.

SECTION III: That Ordinance No. 318 of said City, entitled "An Ordinance of the Board of Trustees, also known as the City Council, of the City of Sierra Madre fixing the time and place of holding meetings of the Board of Trustees, also known as the City Council, of the City of Sierra Madre, State of California, and Repealing Ordinance No. 317, adopted December 27th, 1927, be and the same is hereby repealed.

SECTION IV: That Ordinance No. 328, entitled "An Ordinance of the City of Sierra Madre amending Ordinance No. 318 of said City by amending Section 1 of said Ordinance and changing the time of meeting of the Board of Trustees, also known as the City Council, of said City," adopted October 5th, 1928, be and the same is hereby repealed.

SECTION V: That Ordinance No. 334, entitled "An Ordinance of the City of Sierra Madre Repealing Ordinance No. 328 and Ordinance No. 318 and changing the time of the meeting of the Board of Trustees, also known as the City Council of said City," adopted June 4th, 1929, be and the same is hereby repealed.

SECTION VI: This Ordinance is urgently required for the immediate preservation of the public health, peace and safety. The following is a specific statement showing the urgency of this Ordinance: Because of an oversight, error and mistake, the last Ordinance attempted passed by the Board of Trustees fixing the time of meeting, failed to fix a place of meeting, and would therefore have the effect of leaving the City of Sierra Madre without any legally fixed place of meeting and render them unable legally to adopt and enforce Ordinances, Rules and Regulations for the preservation of life and property in said City and for that reason, this Ordinance is immediately required.

SECTION VII: The City Clerk shall certify to the passage of this Ordinance and its approval by the President pro tem of the Board of Trustees, known as the Mayor of the City of Sierra Madre, and shall cause the same to be published by one insertion in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated

in said City of Sierra Madre. This Ordinance shall immediately and thereafter be in full force and effect.

Adopted and approved this 26th day of June, 1929.

A. S. MYERS,
Pro tem President of the Board of Trustees, also known as Mayor of the City of Sierra Madre. (SEAL)

ATTEST:
L. DIETZ,
City Clerk of the City of Sierra Madre.

STATE OF CALIFORNIA, ss. CITY OF SIERRA MADRE, ss. I, L. Dietz, City Clerk of the City of Sierra Madre, do hereby certify that the foregoing Ordinance was duly adopted by the Board of Trustees, also known as the City Council of the City of Sierra Madre, State of California, and signed by the President pro tem of said Board of Trustees, also known as the Mayor of the City of Sierra Madre, at an adjourned regular meeting thereof, held on the 26th day of June, 1929, and that the same was passed by the following vote:

Ayes: Trustees, Reavis, Stewart, Layton and Myers.

Noes: None.

Absent: None.
L. DIETZ,
City Clerk of the City of Sierra Madre. (SEAL)39:

At what was pronounced one of the prettiest home wedding ceremonies of the season in Pasadena, Ralph Everett Davis, son of Mr. and Mrs. C. E. Davis of 659 Alegria Street, Sierra Madre, was married Thursday of last week to Miss Ina Young of Pasadena.

The bride's only attendant was her sister, Mrs. Newell Carey Her. A. L. Ritts of Seattle performed the ceremony. Russell

Davis, brother of the groom, was best man. Mrs. Andrew Davidson of Redondo played the wedding music while little Ruth Her was the flower girl. Robert Burns Young, Jr., and Edward C. Davis were ushers. A reception followed the ceremony.

After a wedding trip of several weeks, Mr. and Mrs. Ralph Davis will make their home in Sierra Madre, next door to the parents of the groom.

rounding up the planes now. Another set is to be built just east of the present location for the filming of the second part of "The Sky Hawk," Mr. Rabold said. The whole picture will require five or six weeks in the making. There will be approximately fifty artists taking part in the production here. The cast is not definitely chosen yet, Mr. Blystone stated.

Unconfirmed rumor has it that the Fox Corporation is making an effort to get an extended lease on this tract of ground from the Baldwin estate, because it offers ideal conditions for filming aviation pictures which are coming more and more into prominence as this industry is being developed. The wind conditions here are almost ideal, there practically never being more than a mild breeze. The slope of the land is just right and there is so much open country, Mr. Rabold says, suitable for forced landings when the planes are doing dangerous stunts. It is practically free from obscuring fogs which often envelope other sections of Southern California, and frequently government mail planes will land here when they can see land no place else because of the fog blanket.

Several years ago there was much discussion about a tract of land adjacent to Sierra Madre being purchased for motion picture purposes, and many persons objected, but there is every reason to believe the community would welcome such an industry at the present time as it would be sure to stimulate business in every way for Sierra Madre.

Local Schools Show Great Thrift Gain

(Continued from Page One)

has been played with great enthusiasm. The thrift banners have been awarded once a month to the two rooms having the greatest number of "home runs." Thrift instruction in the schools teaches the child the importance of conversation and saving at the formative period of his life. School savings has proven the best tangible method of making thrift a part of every child's daily life, and the projects connected with this instruction inculcate the finer qualities of good citizenship.

A CARD OF THANKS

I wish to express my sincere thanks and appreciation to the many friends for their kindness and sympathy during my recent bereavement. Especial thanks are extended to the members of the various lodges and of Bethany Church.

M. PEARL ARTHUR.

TOO LATE TO CLASSIFY

LOST: Gold and pearl pendant and chain. Probably on Grand View or Lima St., or on P. E. car. Valued as keepsake. Return to News office. Reward. 39.

HAWKES GRANDCHILDREN GRADUATE IN EAST

M. A. Hawkes of 196 West Montecito has received word of his two talented grandchildren, son and daughter, respectively, of A. W. Hawkes, president of the Congoleum-Nairn Co. of Kearney, New Jersey.

Whitfield Hawkes graduated on Tuesday, June 18, from Princeton. He led for a trip abroad June 21, meeting his sister Louise, on the continent. After spending two weeks with his sister, he will take a wonderful trip with fifty boys down the Dalmatian and Albanian coasts and along the coast of Greece and Turkey into all the historical ports where the big boats do not go. He will land finally at Naples and spend two weeks in Italy, then leaving for home and arriving September 14th.

In the fall the young man will go to Harvard law school as his father writes, "I have a firm conviction that the study of law makes a better man of anyone. It teaches him to reason, it teaches him the meaning of life, it gives him an understanding of what government is and he knows when he finishes his law course, that law after all, is simply crystallized common sense which comes out of the minds of generations thru their association and study of cause and effect. People find rules of action that are known as "common usage" and common usage is supposed to be a rule of action that is best for the majority. Nothing can be good for everyone under all conditions. Therefore, the rule of the majority is sound and sane and should be always supported by those who are interested in government founded on 'the best for all and all for the best'."

Miss Louise Hawkes, granddaughter of M. A. Hawkes, and now in Europe, has been appointed assistant professor of French in Scripps College, Claremont. She is a graduate of Vassar with Ph.D. from Columbia University and has been studying extensively in Paris and Florence, Italy. She will arrive July 16 in New Jersey to be at home with her parents, and will arrive in Claremont in time for her winter work.

Four years ago these young people visited their grandfather in Sierra Madre on an interesting and extended trip around the world.

WARICK-FROELICH WEDDING

The nuptial service of Miss Warick of Long Beach and Peter Froelich of Sierra Madre was solemnized at 3 p. m. Sunday, June 23 at the home of the groom's parents, 145 West Carter Avenue. The ceremony was performed by Rev. Hill of the Episcopal Church of Sierra Madre. Following the ceremony a reception was held at the home of the groom's parents.

The home was beautifully decorated with roses, gladioli, carnations and ferns. There was a three-tier wedding cake with miniature bride and groom on top, over which hung a wedding bell. Mrs. F. Krinke, sister of the groom, acted as bride's maid. Mr. Krinke was best man and Marjorie Rose, a niece of the bride, acted as flower girl.

Those present were Mrs. Warick, mother of the bride, Mrs. and daughter, sister of the bride from Albuquerque, New Mexico; Mr. and Mrs. F. Heinzman of Hollywood; Mr. and Mrs. Shafer of Los Angeles; Mr. and Mrs. F. Krinke and son; Mr. and Mrs. J. Froelich.

F. Heinzman had the honor of giving the bride away. The bride and groom are spending their honeymoon at Catalina Island, after which they will reside on Grand View Ave., Sierra Madre.
